

Message from Bill Dauer Director of Grey Towers National Historic Site

I'm looking for a handful of retired couples (4 or 5), preferably Forest Service, with RV's who might be interested in coming to Grey Towers this summer or field season to volunteer.

We are piloting a program that hopefully will someday soon lead to a volunteer campground on the site and ultimately a cadre of volunteers to help us manage Grey Towers during our very busy field season. It will be modeled after a similar program at the Cradle of Forestry on the Pisgah NF in North Carolina.

The types of duties we would be looking for assistance with would be receptionists, gift shop staffing, ticket sales, tour guides, gardening and grounds keeping, carpentry, minor general facilities maintenance, conference assistance, and any other skill that we could use help with around here.

This year we will be parking their RV's in temporary sites so it will need to be folks open to a little adventure. We would provide full hook-ups and pay for their electricity and propane.

Thanks,

Bill Dauer
Director
Forest Service
